INTRODUCTION

Sound as a *sensory landscape.*

Mostafa Shafiei is a certified sound healing practitioner through the Sound Healing Academy, a multi-instrumentalist, composer, and creator of handcrafted healing instruments.

With more than ten years in music and composition, and over eight years dedicated to immersive sound practices, he designs experiences for nervous system relaxation, emotional restoration, meditation, and deep sensory presence.

His work draws ancient acoustic traditions into refined modern wellness environments across luxury resorts, retreat centers, festivals, and conscious spaces worldwide.
